

Amazon and Ebay both have a similar site. They try to make their site better by adding new features and making it easier for people to find what they want. If a user is able to find what they want faster they're going to think that this is the best website.

Advantages	Disadvantages
Ebay – You're able to bid on items that either shops or other users have put on the site.	Amazon – It's a buy only site.
Amazon – Less likely to be scammed.	Ebay – Lot's more people are scammed by not sending the item.
Ebay – Simple to use.	Amazon –
Amazon – Still simple to use but can be a bit more complicated.
